## Professional summary

I am a professional with great interest in technology and web design looking for an opportunity to demonstrate my potential as a front-end developer. I have worked on several personal projects in which I have acquired skills in programming languages such as HTML, CSS and JavaScript. I consider myself a creative person, self-taught and always willing to learn new things.

## Academic formation

National University of San Antonio Abad from Cusco

Bachelor in Geological Engineering

Upper third

## Work history

FREELANCE

2021 - 2023

Throughout my learning period I have developed exercises, challenges and personal projects with HTML, CSS and Javascript; as I show in my portfolio.
